#### ELECTRICAL POWER SUPPLY

Mains shore supply provided via standard 6amp MCB and metered lead or prepaid card. Prepaid cards are available from the marina office. Metered leads are provided by the marina for a refundable deposit. Only prepaid cards or metered leads provided by the marina may be used. Boats found connected to shore supply without using a metered lead provided by the marina or prepaid card will be disconnected without notice. Refundable deposit on metered lead: £120.00 in advance (includes VAT at 20%)

*Please note that refunds on metermaids previously issued at previous VAT will be refunded at the previous VAT rate, in accordance with HMRC guidance.*

Metered charge per Kwh unit variable to equal supply cost. Invoices for mains shore supply must be paid on receipt of invoice. Charges for metered units include standing charges, monthly demand charge, capacity charge, climate change levy, repair and renewal costs, NICEIC certification costs, maintenance costs, and administration costs. The proposed charge from January 2019 is 12.43 pence per KWh (includes VAT @ 5%) for electricity, plus 10.34 pence per KWh (inc VAT @ 20%) for service charges. Total 21.88 pence per KWh. This charge may alter without notice as supply costs alter.

*Important notice: Electric supply continuity cannot be guaranteed. Mains electricity is only available to boats with a properly equipped and protected ring-main installation. Electricity is supplied in accordance with OFGEM regulations.*
