### ELECTRICITY

Mains shore supply provided via standard 5amp MCB, metered lead or smart card. Metered leads are provided by the marina for a refundable deposit. Only metered leads provided by the marina may be used. Smart cards for prepayment are available from the marina office; boats found connected to shore supply without using a metered lead or smart card meter provided by the marina will be disconnected without notice. Refundable deposit on metered lead: £120.00 in advance (includes VAT at 20%). Refunds on Metermaids previously issued at 15% or 17.5%VAT will be refunded at the 15% or 17.5% VAT rate, in accordance with HMRC guidance.

Metered charge per Kwh unit variable to equal supply cost. Invoices for mains shore supply must be paid on receipt of invoice. Charges for metered units include standing charges, monthly demand charge, capacity charge, climate change levy, repair and renewal costs, NICEIC certification costs, maintenance costs, and administration costs. The current price per Kwh unit is displayed on the marina office noticeboard; this charge may alter without notice if supply costs alter. Important notice: electric supply continuity cannot be guaranteed. Mains electricity is only available to boats with a properly equipped and protected ring-main installation.

Electricity is supplied in accordance with OFGEM regulations.
